I.D. Essential 30

Essential
for living!

THE ULTIMATE
FLOORING EXPERIENCE

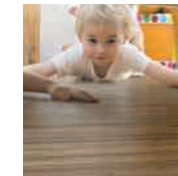

Teak - Natural

I.D. Essential 30

Creating the right impression

When you design your home you want to create an atmosphere that reflects your personality. And when it comes to public places such as shops, hotels or retirement homes, you need a flooring design that plays an active but subtle role in presenting an image and setting a mood.

With an extensive range of 35 carefully selected options there's no shortage of inspiration and opportunities to experiment with completely original combinations of wood and stone. Fresh, warm, modern, traditional – the possibilities are endless.

Beech - Natural

Zebrano - White

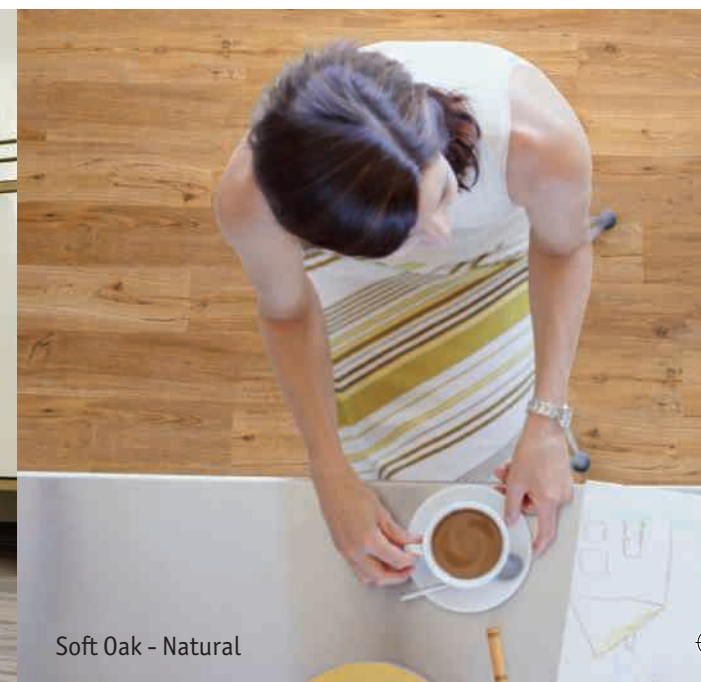

Stylish elegance

Banana - Brown

Whatever the look you want to achieve, you'll find inspiration and versatility in the outstanding natural images presented by I.D. Essential 30: traditional or modern; tiles, planks or a combination.

This classic collection of colours and styles is the perfect way to put your personality and creative skills into transforming an ordinary room or space into a genuine comfort zone.

For any room of your house, Tarkett I.D. Essential 30 lets you express your creative side with designs that harness the simple beauty of natural materials, their authentic tones and textures.

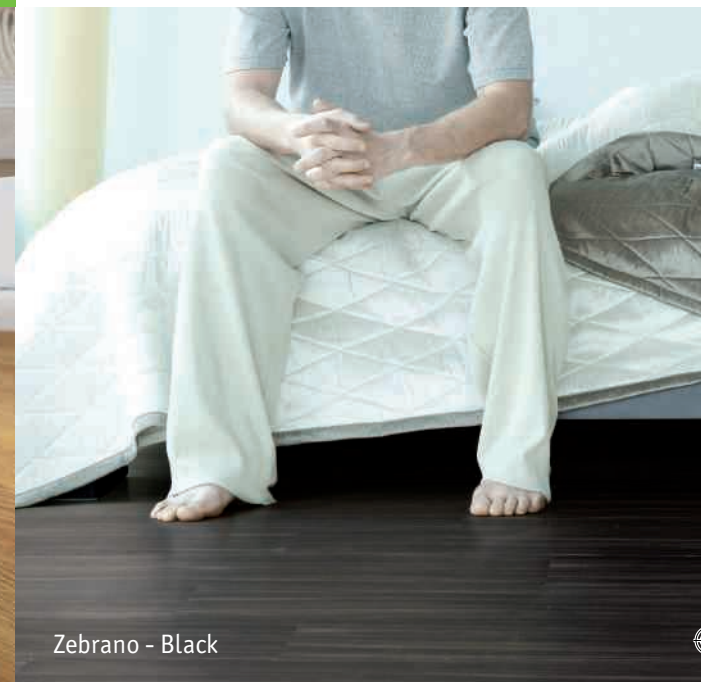

The I.D. Essential Mineral collection presents a breathtaking range of tiles that captures the natural beauty of stone in every detail.

While for an extraordinary spectrum of shades and textures, from light and subtle to warm and exotic, the I.D. Essential Wood collection offers an authentic and distinctive plank finish. The look is enhanced by the availability of planks in different widths.

Maple - Natural

Zebrano - Black

Environment responsability

Zebrano - White

Tarkett uses recycled and raw materials selected to have limited impact on the environment.

I.D. Essential 30 and all our flooring products are developed, produced and handled with a great concern for sustainability and environment. Easy cleaning characteristics also help conserve natural resources.

TARKOSPRAY

the ideal solution for
I.D. Essential 30 installation

The first water based flooring adhesive in aerosol format, TarkoSpray makes it easier than ever before to install your floor.

- **Install up to 70% faster** than traditional adhesive
- **Safe:** water based, non flammable, non toxic, low VOC emissions
- **Use 80% less adhesive** to do the same job
- **Heavy traffic** immediately
- **Easy to remove,** to reposition, no subfloor damage
- **Ideal for fast renovation**

Banana - Brown

Artwood - Chocolat

Also ideal for light
traffic applications

Soft Oak - Beige

I.D. Essential 30 is also ideal for light traffic use in shops, hotels or retirement homes, where you need a floor that play an active, but subtle, role in presenting an image and setting a mood.

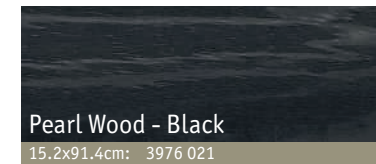

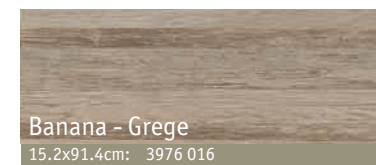

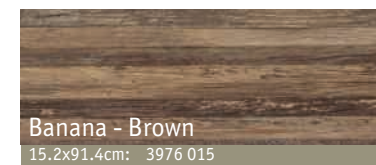

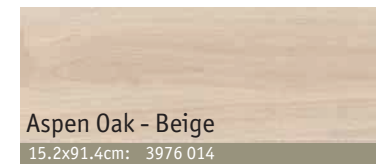

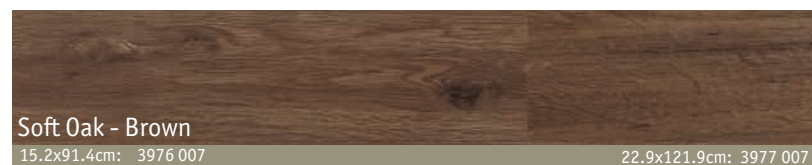

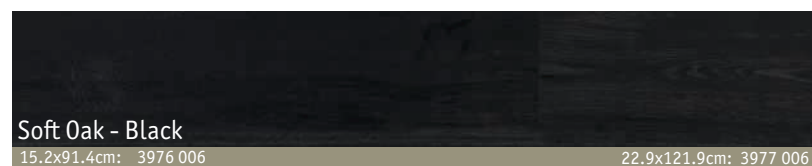

Further inspiration from Tarkett I.D. Premier 55/70

Tarkett also offers a range of luxury vinyl floorings developed to suit the needs of various commercial environments, and to challenge and inspire your creative instinct.

With over 90 options, you can explore the rich and subtle grain of different types of wood, and the patterned and textured world of raw stone, marble and granite.

And prepare to be amazed at the stunning realism of Premier's photographic options. Whatever your quest, for pure effect and atmosphere, or for modernity based on the evolution of time, you can find it in I.D. Premier.

Modernity expressed
with perfect simplicity

Lasting good looks

Every Tarkett floor represents over one hundred years of experience and outstanding expertise in raw materials, production processes, and surface protection technology.

Wenge - Natural

Aspen Oak - Beige

That's why you can rely on I.D. Essential30 for an enviable standard of quality, durability and good looks, plus the resistance to dents and scratches needed to meet the demands of everyday use.

Very easy to clean and look after, I.D. Essential 30 stays looking good longer thanks to its strong protective polyurethane surface (TopClean) which shrugs off dirt and resists scuffing, stains and chemicals, and will never need wax or polish. So you can be sure that your floor looks as good as new year after year.
