TARKETT HUMAN-CONSCIOUS DESIGN™

OUR THREE COMMITMENTS

DEEP HUMAN UNDERSTANDING

To positively impact not only people's daily lives but also the generations to come, we have to start with a profound understanding of people – those who create with our products, those who rely on them and those who care for them.

We continuously engage with our customers to ensure that we respond to their specific needs and expectations.

CONSCIOUS CHOICES. FOR PEOPLE AND PLANET

When it comes to people and the planet, we don't consider one without thinking of the other. We commit every day to the design of great spaces.

For us, this means exceeding indoor air quality standards, instituting healthy material norms, reducing our carbon footprint and creating a Circular Economy supported by Cradle to Cradle® principles. Doing better, for people and planet. iD Essential 30 **enable to win credits in LEED and WELL** Green Building certifications, are **100% recyclable and uses phthalate-free technology.**

WITH YOU. EVERY STEP OF THE WAY

Quality, trust and dependability define our approach.

As we commit to the flawless execution of each and every space, we work closely with our commercial and residential partners at all stages of planning, use and recycling.

And with local services tailored to diverse clients and communities, we commit to connecting – all the way.
